

## CARE AND MAINTENANCE

AVOID LEANING ON ANY ITEM, AND IN PARTICULAR ON SEATING ITEMS ALWAYS ENSURE THAT ALL OF THE ITEMS LEGS ARE IN CONTACT WITH FLOOR. NEVER TILT SEATING PLATFORMS AS THIS WILL SEVERELY WEAKEN FRAMES.

TO AVOID DAMAGE, PREVENT SHARP OBJECTS (EG KEYS, RINGS, BUCKLES) FROM COMING INTO DIRECT CONTACT WITH YOUR **VERONA** FURNITURE.

AVOID CONTACT BETWEEN YOUR FURNITURE AND COSMETICS, STRONG CLEANING FLUIDS, AND ANY OTHER CHEMICALS. THIS CAN CAUSE PERMANENT STAINING / DAMAGE TO THE PAINTED SURFACES.

AVOID EXPOSING YOUR **VERONA** FURNITURE TO SOURCES OF DIRECT HEAT AS IT IS LIKELY THIS WILL CAUSE CRACKING TO THE TIMBER AND SCORCHING TO THE LACQUER. ALWAYS USE COASTERS / PLACEMATS TO AVOID HEATRINGS.

DUE TO THE APPLICATION OF SPECIALIST FURNITURE LACQUERS, ONLY REGULAR DRY DUSTING SHOULD BE REQUIRED TO MAINTAIN THE FINISH. DO NOT USE ANY SILICON-BASED POLISHES OR BEESWAX ON YOUR **VERONA** FURNITURE AS IT MAY CAUSE IRREVERSIBLE DAMAGE TO THE SURFACES.

ANY MARKS TO WOODEN OR PAINTED SURFACES SHOULD BE WIPED WITH A LIGHTLY DAMPENED, CLEAN SOFT CLOTH AND DRIED WITH A LINT-FREE CLOTH. ALWAYS AVOID RUBBING / SCRUBBING ACTIONS, WIPE / DAB WHERE POSSIBLE.

SHOULD ANY AREAS BECOME STAINED, SOILED, CHIPPED OR OTHER DAMAGE, WE RECOMMEND YOU SEEK THE SERVICES OF A PROFESSIONAL TO RESTORE.

UPHOLSTERY SHOULD BE MAINTAINED BY REGULAR SOFT BRUSHING. ANY SPILLS SHOULD BE BLOTTED WITH A DRY WHITE CLOTH. STAINING TO UPHOLSTERY WILL REQUIRE SEEKING OF PROFESSIONAL ADVICE.

CAREFULLY CLEAN ANY MIRROR USING A NON-SOLVENT BASED GLASS CLEANER AVOIDING CONTACT WITH PAINTED SECTIONS.

If you require any advice contact Customer Service : (01243) 380 600

## A GUIDE TO YOUR NEW

# feather&black

# Verona

## FURNITURE

### PLEASE READ AND RETAIN FOR FUTURE REFERENCE

0217a  
AS WITH ALL FEATHER & BLACK PRODUCTS, THIS **VERONA** PIECE HAS BEEN DESIGNED WITH CONSIDERATION TO PROVIDING BEAUTY AND PERFORMANCE, AND IS ENGINEERED TO SERVE GENERATION UPON GENERATION.

THANK YOU FOR CHOOSING FEATHER & BLACK!

## RANGE OVERVIEW

BOTH MODERN AND TRADITIONAL TECHNIQUES ARE COMBINED IN THE DESIGN AND MANUFACTURE OF THE **VERONA** RANGE.

EACH **VERONA** PIECE IS HAND FINISHED WHICH WILL PROVIDE INDIVIDUALITY, BOTH WITHIN THE SAME PIECE AND BETWEEN DIFFERENT PIECES.

THE **VERONA** RANGE IS MADE FROM A COMBINATION OF MODERN BOARD MATERIAL AND KILN-DRIED SOLID WOOD.

CABINET AREAS ARE HAND-BRUSHED IN THE DESIRED COLOUR AND THEN SEALED WITH A CLEAR LACQUER. THIS GIVES A LOW MAINTENANCE FINISH.

A DARKER PATINA IS APPLIED BY HAND TO MOULDINGS, DRAWERFRONT EDGES AND OTHER DETAILING IN ORDER TO GIVE THIS RANGE ITS UNIQUE CHARACTER.

TOPS/BED CAPPING RAILS ARE COLOURED ACCORDINGLY, AND IN SOME INSTANCES, ARE ACCENTUATED BY A GENTLE WASH OF CONTRASTING FINISH TO HIGHLIGHT THE GRAIN STRUCTURE AND FIGURE.

UPHOLSTERED PIECES ARE MANUFACTURED FROM CAREFULLY CHOSEN FEATHER & BLACK FABRICS, FULLY COMPLIANT WITH REQUIRED UK LEGISLATION.

MIRRORED PANELS COMPLY WITH RELEVANT UK LEGISLATION.

ALL LEGS ARE FITTED WITH NYLON DOMES BUT THESE ARE NOT INTENDED TO HELP SLIDING OR DRAGGING. THE WARDROBE FRONT LEGS HAVE ADJUSTABLE FEET. FURNITURE MUST ALWAYS BE LIFTED BY A MINIMUM OF 2 PERSONS TO MOVE.

## FEATURES OF YOUR VERONA PIECE

COLOURED SURFACES WILL CHANGE COLOUR / MELLOW GRADUALLY AND CAN APPEAR AS DIFFERENT SHADE LOOK. THIS IS SIMPLY A CONSEQUENCE OF ADJUSTMENT TO LIGHT OVER A PERIOD OF TIME.

IT IS QUITE LIKELY THAT NEW PIECES MAY INITIALLY DIFFER IN TONE AND HUE FROM EXISTING PIECES OF THE SAME RANGE.

NOTE THAT LEAVING OBJECTS SUCH AS VASES, ORNAMENTS, PICTURE FRAMES ETC MAY LEAVE A MARK WHEN THEY ARE REMOVED. SUCH MARKS WILL BLEND BACK IN OVER TIME BUT WE RECOMMEND THAT OBJECTS ARE PERIODICALLY MOVED TO AVOID LOCALISED BLEACHING.

IT IS QUITE NORMAL TO EXPECT THAT TIMBER WILL EXPAND AND CONTRACT AS IT ADJUSTS TO SEASONAL VARIATIONS IN HEAT, TEMPERATURE AND HUMIDITY. ON YOUR VERONA FURNITURE, THIS MAY MAKE OPENING OF DRAWERS A LITTLE STIFFER. THIS CAN BE RESOLVED BY REMOVING THE DRAWER(S) AND RUBBING A LITTLE CANDLE WAX ONTO THE RUNNERS INSIDE THE CARCASE.

IN ORDER TO RELEASE THE DRAWER, EXTEND THE DRAWER AND CAREFULLY ROTATE THE WOODEN STOP FOUND BEHIND THE DRAWERS TOP RAILS OF EACH DRAWER. FOR THE WARDROBE THE STOPS ARE BELOW DRAWER. NOTE THAT THE WIDER DRAWERS ARE FITTED WITH 2 STOPS.

WE DO NOT RECOMMEND THAT ANY PIECE IS LOCATED IN AREAS OF EXCESSIVELY HIGH OR LOW TEMPERATURES, OR AREAS OF EXCESSIVE DAMP.

ALL FURNITURE MUST BE POSITIONED ON A LEVEL FLOOR TO PREVENT ROCKING AND TO ENSURE MOVING PARTS OPERATE SMOOTHLY AND ALIGN CORRECTLY.

ADJUSTABLE FRONT FEET ON WARDROBE ARE TO HELP WITH DOOR ALIGNMENT.

ITEMS OVER 700mm IN HEIGHT ARE PROVIDED WITH SAFETY WALL FIXINGS TO SECURE THE PRODUCT IN CASE OF TOPPLING OVER. WE HIGHLY RECOMMEND THESE ARE USED IN ACCORDANCE WITH INSTRUCTIONS ENCLOSED WITH EACH APPROPRIATE PIECE.
